D. P. W: SUBJECTS.

Tumkur District.

Subject and name of Member introducing it.	Summary of discussion.	Reply of Govt.
Subject No. 290. Bridge over the Kodihalla of the Honnudike tank. Mr. Abbas Saheb of Tumkur.	The Kodihalla of the Honnudike tank may be bridged over, and a road constructed from Golur to Solur and Magadi *viâ* Honnudike for the use of travellers.	The Deputy Commissioner reports that there is no traffic to speak of, and that the bridge and road asked for are therefore unnecessary. Honnudike itself is connected with Tumkur by a cart-track.
Subject No. 291. Construction of sluices in the irrigation channels of the Kunigal tank. Messrs. Sivaramaiya and Nanjundaiya of Kunigal Taluk.	The water in the Kunigal tank is wasted a good deal for want of brick-in-chunam madavois or sluices in irrigation channels. The lands at the tail end of the channels are consequently starved. To regulate the supply of water, sluices should be constructed.	Referred to D. P. W.
Subject No. 292. Restoration of Gavane ane or construction of an ane near Sankenapurada Maduvu. Mr. Shamaiengar of Amritur.	The holders of valuable rice and garden lands have been suffering very much since the breaching of the Gavane anè. If its restoration is impracticable, it is suggested that a new ané may be constructed near *Sankenapurada Maduvu.*	The project is ready and will soon be dealt with by the D. P. W.
Subject No. 293. Raising the waste-weirs of the tanks at Amritur. Mr. Shamaiengar of Amritur.	The present capacity of the tanks at Amritur being insufficient for irrigating all the lands under them, it is requested that the waste-weirs may be raised.	Will be investigated by the D. P. W.
